LAUNCHPAD 2026 - HACK MENTORS

Team scorecard

One scorecard per team. Keep dated observations on page 2.

Team: _____

Primary mentor: _____

Second reviewer: _____

Score 1-10 per category; use P while evidence is pending. Do not add checkpoint scores.
Final scores follow the frozen-build walkthrough and mentor selection panel. Use the deck rubric.

Category	**Day 1** 12:00 /10	**Day 1** 15:30 /10	**Day 2** 10:15 /10	**Final** panel score /10

Final total /50	-	-	-	

Feedback given to the team

_____

_____

_____

Panel decision and sign-off

Final rank: _____ ☐ Finalist ☐ Reserve ☐ Not shortlisted

Category award(s): _____

Panel sign-off: _____ **Time:** _____

All teams remain eligible for category awards. Keep results private until the 15:30 awards.

Observation notes

Record evidence that supports the scores. Print extra copies of this page when needed.

Team: _____

Mentor: _____ **Date / time:** _____

☐ D1 12:00 ☐ D1 15:30 ☐ D2 10:15 ☐ Walkthrough

Write what you saw or heard, the outcome and any feedback. Avoid assumptions about the team.

Best Demo

Working journey, test results, faults addressed; what is real or simulated?

Best Technical Approach

Trade-offs, testing, data and secrets, checks on AI-generated code.

Best UX

Phone use, clarity, errors, accessibility; what changed after testing?

Best Feature Fit

Joiner need, priorities and omissions; why did the team choose this scope?

Most Innovative

What is different, what was tested and what benefit did it demonstrate?
